## Why should I recycle?

Recycling your unwanted materials diverts waste from landfill and reduces exploitation of raw materials. Compact & Bale ensure that your waste is handled in a way that reduces the environmental impacts of this. This certificate presents the benefits achieved from recycling your cardboard. Imagine if this was applied to all your recycled materials...

This month, by recycling your card waste, you have saved...

## What does this mean?

The reduction in emissions from  
**40**  
 trips from London to Glasgow and back.

Or...  
**45**  
 trees planted.

**26580**

Enough electricity to power **7** homes for a year.

**23**

Reduction of water from

**287**

average power showers.
